DaVero AI

Built for the last mile.

Enterprise AI that connects deployed platforms to real outcomes.

BRAND IDENTITY SYSTEM

VERSION 1.0 / NOVEMBER 2026

The last mile is where value is realized.

THE DEFINITION

Everything between "the software is live" and "the final outcome is delivered."

Purpose-built AI agents close client-specific operational gaps around core business platforms, where manual workflows and disparate tools prevent outcomes from being delivered.

01
Platform live
Core system implemented

>

02
Operational gap
Workflow is not native

>

03
Outcome delivered
Execution is completed

One identity. Three essential lockups.

STANDALONE SYMBOL

DaVero AI

WORDMARK ONLY

PRODUCT ICON

A decisive mark with forward momentum.

FORM

Angular D-shaped geometry

Forward motion without arrows

A clear, uninterrupted trajectory

DESIGN PRINCIPLE

The mark is confident, not decorative.
It works as an avatar, favicon and
enterprise product identifier.

High contrast. No visual noise.

MIDNIGHT
#081630

DAVERO ORANGE
#FF6500

WHITE
#FFFFFF

CLOUD
#F3F6FA

PRIMARY RATIO

70% MIDNIGHT / 20% ORANGE / 10% LIGHT SURFACES

Use orange as an accent, not for long paragraphs. Prioritize accessible contrast and clean spacing.

A system made for enterprise clarity.

Inter

Outcome, not orchestration.

RECOMMENDED TYPE SCALE

Display 48-72 | H1 36-48 | H2 24-32 | Body 16-18

Lead with outcomes, not hype.

PRIMARY BRAND LINE

Built for the last mile.

ALTERNATIVE LINES

From platform to outcome.

Where enterprise AI delivers.

Operationalize what matters.

MESSAGE PILLARS

DOMAIN-SPECIFIC

Made for real client workflows

PLATFORM-ALIGNED

Designed around enterprise systems

OUTCOME-LED

Measured by business execution

Use the mark as a system, not decoration.

AVOID

Neural brains, circuitry, glow effects, stock robots, gradients behind small copy.

DO

Strong crop, generous whitespace, clear hierarchy and concise claims.

The identity across key touchpoints.

DaVero AI

Turn platforms into outcomes.

Enterprise agents. Domain-specific execution.

PRODUCT & FAVICON

OTHER USES

Pitch decks / Proposals / Enterprise documentation / Social profiles / Product interfaces

Protect consistency as the brand scales.

CORE RULES

01 Use supplied masters rather than screenshots.

02 Keep the mark proportions fixed; never stretch or rotate.

03 Preserve clear space equal to roughly 1/4 icon height.

04 Use approved backgrounds: white, cloud, midnight.

05 Do not add 3D effects, shadows or unapproved colors.
